

JOINT OPERATIONS BOURBON

108

PURSUIT
United.

A blend that stands at attention. Veteran Pursuit Ambassadors from across the branches assembled in Louisville to execute a single mission. Select multiple double oak barrels with different profiles and build a whiskey dedicated to those who serve. The result is a layered, unified expression where every barrel profile pulls in the same direction. Proof that joint forces get the job done. Raise this one with purpose.

Enjoy this pursuit.
